ABOUT ME

I have an information technology background, focusing on backend development, web development, UI design and quality assurance. I'm the type of person who takes every opportunity to learn something new. That's why I like challenges. From there, I was under pressure to learn quickly and gain a lot of new experiences.

EDUCATION

- 2020 - 2024
Politeknik Negeri Malang, Infroamtics Engineering
I am currently attending college with a GPA of 3.59. One of the courses that I focus on is Quality Assurance, Machine Learning, Web Development and UI Design.
